# How to Recognize a Substance Abuse Problem in the Workplace
### Presenter – Jennifer Andrews-Burke, MA, LCSW

CGF members are invited to join us for important workshop on Substance Abuse in the Workplace. This course is offered in conjunction with our Employee Assistance Program (EAP) provider, Lifeworks and is designed for anyone with management responsibilities. Our presenter, Jennifer Andrews-Burke, will address:

- The impact of drug and alcohol use on the workplace, family and body
- Define substance use, abuse, and dependence
- Recognize indicators and behaviors of possible substance use
- Identify appropriate actions you can take

**Wednesday, June 13, 2018**
**9:00 a.m. – 11:00 a.m.**
**California Grower Foundation**
**176 Main Street, # C  St. Helena 94574**

*Free to CGF members, non-members $25*

Space is limited. Please RSVP to Julie at jcazet@calgrower.org or call (707) 963-7191

More about our presenter:
*Jennifer Andrews-Burke received her bachelor's degree in social work from Pacific Union College and her master's degree in social work from Sacramento State University. Jennifer is a therapist and educator who has developed and presented curriculum on a number of different mental health topics throughout California and the United States. For the past 25 years she has worked as a child protective services supervisor, was an educator at San Francisco State and has spent over ten years as a military active duty mental health provider, specializing in Combat Related Post-Traumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI). She is trained and certified in Prolonged Exposure Therapy, Cognitive Processing Therapy among other evidence based modalities.*

*Jennifer spent a number of years as a radio talk show host where she combined her passion for helping others combining her public speaking skills and warm-hearted and often comedic approach to help callers solve relationship and everyday personal challenges. She has written and developed numerous trainings for mental health providers both civilian and military.*
