The options available through Medicare can be perplexing. Ana Dhillon is a longtime friend of the Foundation and the single most knowledgeable person we know on this topic. In this workshop, Ana will review the four main parts to Medicare; A, B, C and D. She will also cover the different types of plans available such as Fee-for-Service Original Medicare, Medicare Supplement plans and Medicare Health plans available known as Medicare Advantage plans (HMO and PPO).

When it comes to Medicare, it helps to have guidance. If you, your loved ones or employees are eligible for Medicare or will be turning 65 soon, this class is for you.

Free to CGF members, non-members \$25

Space is limited. Please RSVP to Julie at jcazet@calgrower.org or call (707) 963-7191
